

# AquaShrimps

**This gentle water adaptation class is for children 9 months to 3 years. You need an adult! (Parents can be any age.) Nannies & babysitters are also welcome.**

The class teaches the beginning skills of swimming—in fact, the same skills that we introduce to our beginners in the SwimAmerica group lesson program. There will be lots of repetition because this is how children learn best. We use songs, rhymes and games to teach the beginning swimming skills. **Parents get in to the water with their child.**
